GLASS & TIMBER

Sliding Door Order Form

Company Name : _____

Name : _____

Email : _____

Contact Number : _____

Invoice # : _____

Important Information:

- When providing the following information please note that the wardrobe sliding doors will be made according to your internal door opening area. This order sheet is for 1 SET of doors only. (This is for one wardrobe only)
- If you have selected a side return jamb, you must indicate if your width is before or outside the side end panel.
- The width measurement **MUST** be from the inner wall from left to right or right to left. (Horizontal measurement) This is exactly where the doors will touch while in closed position.
- The height measurement **MUST** be from the direct floor surface where the new bottom track will be fixed to and the top frame/ceiling/ bulkhead surface (vertical measurement).

TIP: Best to take the measurements from the center of the height and width position.
